Degrees and Majors Awarded | **Explanations**

Footnotes for Degrees Awarded and Degree Trends
Degree awarded include only primary majors, whereas Top Majors and Majors Awarded capture all majors completed.
The number of certificates includes Post-Masters Certificate, Postbaccalaureate Certificate, and Postsecondary award of less than one academic year.

Degrees and Majors Awarded
Defined based on IPEDS. For the complete IPEDS glossary, please visit the following link:
https://surveys.nces.ed.gov/ipeds/VisGlossaryAll.aspx?

***IPEDSRace/Ethnicity**
Data may be broken out by IPEDS race/ethnicity, which is a reporting construct developed by the Department of Education that allows for easy comparison with other institutions of higher education. More information is available at this link:
https://nces.ed.gov/ipeds/report-your-data/race-ethnicity-definitions.
IPEDS race/ethnicity is a self-identified value captured in the BGSU PeopleSoft System.
In this workbook, the official IPEDS race/ethnicity reporting category of 'non-resident alien' has been re-categorized as 'International' and 'unknown' has been re-categorized as 'not reported'.

Footnotes for Top Majors and Majors Awarded
The major descriptions rollup to the official Classification of Instructional Programs (CIP) codes which provide a taxonomic scheme that supports the accurate tracking and reporting of fields of study for the National Center for Education Statistics (NCES).
The number of certificates includes Post-Masters Certificate, Postbaccalaureate Certificate, and Postsecondary award of less than one academic year.
